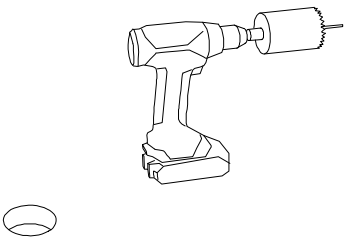
INSTALLATION GUIDE

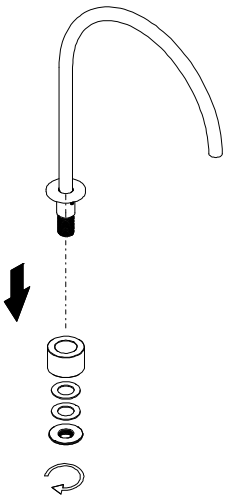
Note: This product must be installed by a licensed plumber. This is a general installation guide - there are many factors involved that can alter the installation method. **AU/NZ:** For installations within Australia and New Zealand, this product must be installed in compliance with AS/NZS 3500. **UK:** For installations in the United Kingdom this product must be installed in compliance with the Water Supply (Water Fittings) Regulations and Water Supply (Water Fittings) (Scotland) Byelaws. **Other:** For installations outside these countries, this product must be installed in compliance with the standards in your respective country.

ABI INTERIORS

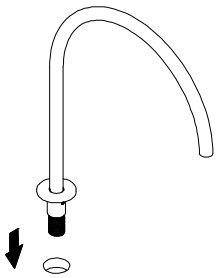
1. Drill a 30-35mm hole in the desired location on your benchtop.



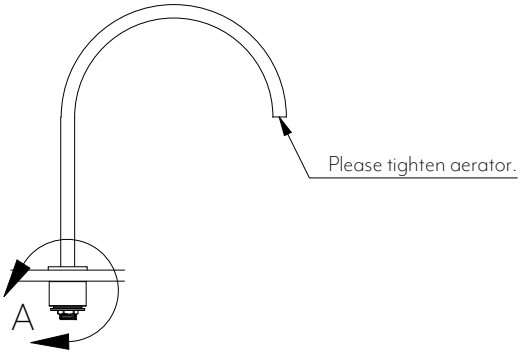
2. Remove the locking nut, washers and spacer.

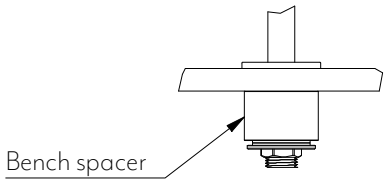


3. Insert the spout into the hole.



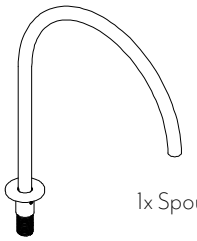
4. Fasten the spout to the bench top. Use the plastic spacer for thinner bench tops.





Detail A

In The Box



1x Spout
