

Note: Dimensions are nominal measurements only

SPECIFICATIONS

RECOMMENDED USE

Domestic/ Commercial

MATERIAL

304 Stainless Steel

INSTALLATION

Top mount or Undermount

INSTALLATION GUIDE

Note: This product must be installed by a licensed plumber. This is a general installation guide - there are many factors involved that can alter the installation method. **AU/NZ:** For installations within Australia and New Zealand, this product must be installed in compliance with AS/NZS 3500. **UK:** For installations in the United Kingdom this product must be installed in compliance with the Water Supply (Water Fittings) Regulations and Water Supply (Water Fittings) (Scotland) Byelaws. **Other:** For installations outside these countries, this product must be installed in compliance with the standards in your respective country.

INSTALLATION - FONT DRAIN - TOP MOUNT

① Assemble the waste outlet as shown below.

② Assemble the font grate as shown below.

③ Apply silicone around the perimeter of the pre-cut hole. Insert the bowl and push down gently.

④ Connect the waste outlet to the nipple on your trap or another waste outlet point. Test and commission.

Regularly clean with mild liquid detergent or soap and water

DO NOT use cream cleaners or bleach. These substances are abrasive

DO NOT use cleaning pads with abrasive surfaces as this may scratch the material
