86mm (centre to centre)

# INSTALLATION GUIDE

This product must be installed by a licensed tradesperson.

This is a general installation guide - there are many factors that are involved that can alter the installation method. This product install must comply with the standards in your respective country and must be adhered to by your licensed tradesperson.

ABI takes no responsibility if your product is not secured to adequate wall structure.

- 1 Mark out the desired position for the soap holder. Drill holes in desired position and insert wall plugs.

- 2 Fix soap holder to the wall.

Regularly clean with mild liquid detergent or soap and water.

DO NOT use cream cleaners or bleach. These substances are abrasive.

DO NOT use cleaning pads with abrasive surfaces as this may scratch the material.
